

BRIN MATHEMATICS RESEARCH CENTER

Workshop: Stochastic PDEs & Related Topics

NOVEMBER 14 - 16, 2022

Speakers

Jacob Bedrossian, University of Maryland
Le Chen, Auburn University
Ivan Corwin, Columbia University
Alexander Dunlap, NYU
Promit Ghosal, MIT
Yier Lin, University of Chicago
Sergey Lototsky, USC
Konstantin Matetski, Michigan State University
Jonathan Mattingly, Duke University
Carl Mueller, University of Rochester
Andrea Nahmod, University of Massachusetts Amherst
Hao Shen, University of Wisconsin Madison
Samy Tindel, Purdue University
Kevin Yang, UC Berkeley

About the Workshop

The goal of this workshop is to bring junior and promising scholars together with senior and established investigators, all working in the field of SPDEs. The workshop will provide the participants with opportunities to showcase their results and to prepare the grounds for future developments.
